NOTICE TO LICENSED ELECTRICAL CONTRACTORS:

ESA FEES WAIVED FOR WORK RELATED TO PATIENT CARE INSTALLATIONS IN RESPONSE TO COVID-19 IMPACTS ON THE CAPACITY OF THE HEALTH CARE SYSTEM

Effective immediately Electrical Safety Authority is waiving all fees charged for work related to:

1. Constructing temporary emergency health care facilities using existing buildings or structures; and
2. Installing wiring for medical equipment to support patients moved from hospital to home care

The requirement to file notifications for this work has not changed.
