## NOTICE REGARDING MASTER ELECTRICIAN EXAMS AND TRAINING

Following the latest COVID-19 announcements from the Ontario Government, ESA has made a decision to postpone all classroom training courses and Master Electrician Examinations scheduled up until May 31, 2020.

This is a precautionary measure to protect the health and safety of our customers, employees and community. Courses and exams will be rescheduled when public health officials advise transmission concerns have subsided.

If you are registered in a postponed ESA course or Master Electrician Examination, we will keep your registration on file and notify you of the rescheduled date once determined.

If you have questions or concerns, please contact ESA's Customer Service Centre at 1-877-372-7233.

Please note that online courses and self-study courses are continuing as scheduled.

We ask for your patience and understanding as we continue to respond to evolving circumstances.
