

**From the Ontario
Minister of Public and Business
Service Delivery**

November 23, 2022

**Electrical Safety
Authority
Annual Licence Holder Meeting**

Greetings from the Minister

On behalf of the Ministry of Public and Business Service Delivery, please accept my warmest greetings on the occasion of the Electrical Safety Authority's 2022 annual licence holder meeting. I offer my very best wishes to your many dedicated master electricians and electrical contractors across Ontario who are attending virtually today.

Electricity affects all Ontarians, from businesses to individual citizens. It is part of our daily lives and we must not forget it can be a dangerous force. As the Minister responsible for consumer protection and public safety, I commend all of you for the invaluable services you provide to the citizens of our great province.

As new technologies emerge, electrical safety is as important as ever. I applaud the Electrical Safety Authority and its electrical licence holders for protecting Ontarians and fostering electrical safety. It's thanks to all of you, Ontarians can live, work, and play safe from electrical harm.

I look forward to strengthening my ministry's partnership with the Electrical Safety Authority as we build a better Ontario. I hope your 2022 meeting is a great success!
