

2021 Pre-Master Electrician Course

ESA offers Electricians and other persons, who are qualified to be licensed, a 6 day in-person classroom training course.

Designed to expand the knowledge and skills of Electricians and assist Electricians and other persons, who are qualified to be licensed (P. Eng, CET, C-Tech), in preparing to write the Master Electrician Examination.

This course is divided into 12 Modules and references specific sections of the Ontario Electrical Safety Code, other pertinent legislation, electrical calculations, and trade and business practices.

LEARNING OBJECTIVES:

Identify trends in the Ontario Electrical Safety Report.

Describe the importance and responsibilities of Licensed Electrical Contractors and Designated Master Electricians.

Describe and identify various code rules, including Ontario Amendments, pertaining to residential commercial and industrial installations.

Identify and apply rules pertaining to high-voltage installations.

Explain the duties of owners, constructors and supervisors under the Occupational Health and Safety Act (OH&S Act).

Describe the incident investigation process.

MISSION: Improve electrical safety for the well-being of the people of Ontario.

VISION: An Ontario where people can live, work and play safe from electrical harm.

LEARNING OBJECTIVES (Continued):

Describe the elements of a Health and Safety Program.

Identify the basic steps involved in a Job Safety Analysis.

Discuss the basics of an Emergency Response Plan.

Identify the limits of approach and lockout / tagout procedures.

Understand the Human Rights Code, the Labour Relations Act, the Employment Standards Act, and the Construction Act.

RECOMMENDATION:

Prior to commencing the course, learners are encouraged to confirm they are eligible for an ECRA/ESA Master Electrician Licence. This course is not a prerequisite to write the Master Electrician Examination.

WHAT TO BRING:

- Ontario Electrical Safety Code (28th Edition) – You are required to bring the 2021 Ontario Electrical Safety Code book with you to the course.
- Calculator
- OESC Bulletins

REGISTRATION FEES:

- Classroom course: \$990.00 + applicable taxes, per person
- Online course: \$689.00 + applicable taxes, per person
