**CONSENT TO RELEASE STATEMENT**

If an employer requires test results for their records, such information should be obtained directly from their employee. In the rare event an employer cannot obtain this information directly from their employee, the ESA will provide a value added service of issuing a duplicate copy of the test results provided the Attendee named in Part 3 of this document signs the following "Consent to Release" statement.

The ESA's Privacy and Access Code (the "Code"), which forms part of the Administrative Agreement between the ESA and the Ministry of Government and Consumer Services, prevents ESA from releasing an individual's personal information to a third party without their written consent. The Code states that personal information shall not be used or disclosed to a third party for purposes other than those for which it was collected, except with the consent of the individual to whom the information relates. As such, personal information, including but not limited to test results, cannot be disclosed to a third party irrespective of who pays the course fee.

Signing the "Consent to Release" statement is optional and at the Attendee's sole discretion.

I am the individual named in Part 3 of this document and hereby consent to the release of my personal information in relation to my academic achievement on the Electrical Safety Authority ("ESA") test for the course identified in Part 4 of this document. The aforementioned information is only to be released by the ESA, to the third party identified in Part 2 of this document.

I understand by signing this Consent to Release statement that I am agreeing to the release of the afore-mentioned information to the third party named in Part 2 of this document. I understand that I may revoke this consent at any time upon written notice to the ESA at:

Electrical Safety Authority  
Attention: Training Solutions  
400 Sheldon Drive, Unit 1  
Cambridge, Ontario N1T 2H9

The ESA is committed to maintaining the accuracy, security and privacy of personal information in accordance with applicable Canadian privacy laws and ESA's Privacy and Access Code.
