Product Safety Alert

UL Warns of Counterfeit UL Mark on Photovoltaic Panels (Release 14PN-02)

This public notice is the same as the notice issued on April 15, 2013 (Release 13PN-20) except for the addition of Model AP-250MK.

NORTHBROOK, IL - Feb. 28, 2014 - The following is a notification from UL to Authorities Having Jurisdiction, distributors, installers and users that the photovoltaic panels identified below bear counterfeit UL Marks for the United States and Canada. The photovoltaic (solar) panels have not been evaluated by UL to the appropriate Standards for Safety and it is unknown if these photovoltaic panels comply with UL's safety requirements for the United States or Canada.

Name of Product: ASP - Advanced Solar Photonics (also known as Bluechip Energy)
Models AP-240PK, AP-245MK, AP-250MK and ASP-390M

Note that ASP is a tradename for the parent company Bluechip Energy LLC
