Conditions of an Electrical Contractor Licence

Ontario Regulation 570/05 made under the Electricity Act, 1998

Business Name

An Electrical Contractor shall not carry on business in a name other than the name indicated in the licence.

Posting of Licence

An Electrical Contractor must post the licence in a prominent location at the contractor's principal place of business in a manner that the public is likely to see it.

An Electrical Contractor must post a copy of the licence in a prominent location at any other place of business at or from which the contractor carries on business.

Display of Licence Number

An Electrical Contractor must prominently display the licence number in all correspondence, contracts, and advertisements, on business vehicles and, generally, in all situations where they are communicating with the public.

Designations to be Recorded

An Electrical Contractor must keep a record of all designations of master electricians, irrespective of the number of designations made.

The record shall include the name of the designated master electrician, the date on which the designation is made, the period of time for which the designation is effective and the scope of the designation.

An Electrical Contractor must notify ESA immediately of the loss of their designated master electrician.

Retention of Application Information

An Electrical Contractor must retain every document provided in the application for the licence or a renewal of the licence until the expiry of the licence or renewal.

Notice of Change to Information

An Electrical Contractor must notify ESA of any change to the information provided on the application or renewal of licence application form within 5 business days of the change.

The "Notice of Change to Information" form is available on our website at www.esasafe.com or by calling our Customer Service Centre at 1-877-372-7233.

Annual Licence Renewal

Licence Fee and any required documents must be received, prior to the renewal deadline, in order to avoid late payment fees and/or the expiration of your licence.

Notice of Failure to Meet Licence Requirements

An Electrical Contractor shall notify ESA immediately of any failure to continue to meet the requirements for the relevant type of electrical contractor licence during the currency of the licence.

Note: ESA will make every effort to process all complete applications within 30 business days from the date they are received at our Customer Service Centre. Incomplete applications will be returned.
