3. All information and any statement contained in this application, to the best of my knowledge, is true and correct.
4. If a Licence is granted, I will carry on my business/trade in compliance with the requirements of Ontario Regulation 570/05 made under the Electricity Act, 1998.
5. As a Master Electrician, I will not carry out electrical work unless I hold a valid Certificate of Qualification for the work being performed.
6. If I am designated as a Master Electrician for an electrical contracting business, I must be actively employed by them.
7. If I am designated as a Master Electrician for an electrical contracting business, I cannot act in this capacity for more than one electrical contracting business at a time.
8. As a licence holder, I will carry out the activities granted by this licence safely and in accordance with the law.
9. As a licence holder, I will ensure I have the resources necessary to carry out the activities granted by this licence.
10. As a licence holder, I will conduct myself with honesty and integrity and in accordance with the principle of protecting consumers.
11. As a licence holder, I will ensure I have the required training, experience, qualifications and skills required to carry out the activities granted by this licence.
12. As a licence holder, I will not permit unauthorized persons under my supervision to carry out activities granted by this licence.
13. I have reviewed and understand the requirements applicable to the practice of Master Electrician in the province of Ontario, including the Ontario-specific requirements under the Ontario Electrical Safety Code, relevant legislation and regulations.

NOTICE AND CONSENT

NOTE: PLEASE ENSURE THAT YOU HAVE READ THIS SECTION IN FULL BEFORE SIGNING BELOW.

Any person completing and/or signing this form and any attachments or accompanying answers, schedules, documents, or records, is hereby notified that the Electrical Safety Authority (ESA) may collect additional information from or disclose information contained herein to third parties. The ESA is committed to maintaining the security and confidentiality of your business and personal information and as such, information collected will only be used in accordance with applicable legislation and ESA's Privacy Policy. If you provide information on behalf of another individual, you represent that you have all necessary authority and/or have obtained all necessary consents from such individual to enable ESA to collect, use and disclose such personal information for the purpose set forth in our Privacy Policy. A copy of our policy is located on our website at www.esasafe.com.

By completing or signing this form and any accompanying documents, I consent to ESA collecting, using and/or disclosing such information in accordance with applicable privacy legislation and ESA's Privacy Policy.

I acknowledge and understand the declarations made in Part 6 of this form and agree to conduct my activities in accordance to those statements.

Warning- it is an offence under section 113.20 of the Electricity Act, 1998 to knowingly provide false information on this application and any attachments.

By signing the application, you are confirming the information contained in this document is correct.

Signature:

Date:

Part 7: Application Checklist

Note: Incomplete applications will be returned.

A copy of your valid Alberta ME licence or BC FSR Licence

A copy of your Ontario professional qualification certificate or licence (as applicable)

A copy of your out of province professional qualification

Explanation if "YES" answered to either question in Part 5

By submitting personal information to the Electrical Safety Authority, or its agents and service providers, you agree that ESA may collect, used and disclose such personal information in accordance with its Privacy Policy, applicable laws or pursuant to our Administrative Agreement with the Province of Ontario.

If you provide us with the personal information on behalf of another individual, you represent that you have all necessary authority and/or have obtained all necessary consents from such individual to enable us to collect, use and disclose such personal information for the purposes set forth in our Privacy Policy. A copy of our policy is located on our website at www.esasafe.com

How to Complete the Application for a Provisional Master Electrician Licence

Ontario Regulation 570/05 made under the Electricity Act, 1998

Please read the declaration carefully before signing your application.

For additional information on bullet 13, use this webpage as a starting guide:

<https://esasafe.com/contractors/competency-profile/>

If you have not already applied for ESA’s ME Exam, you are encouraged to apply as soon as possible, as the process to apply for, write, and receive exam results takes time. Your complete application, including proof that you passed the exam, must be completed within 6 months of the date your Provisional ESA ME Licence was issued.

Apply for the Master Electrician Exam on our Licensing Platform <https://licensing.esasafe.com/>

Conditions of a Master Electrician Licence

Ontario Regulation 570/05 made under the Electricity Act, 1998

A Master Electrician must not accept a designation from an electrical contractor unless the Master Electrician is actively employed by the designating electrical contractor.

A Master Electrician designated by an electrical contractor must not accept a designation on behalf of more than one electrical contractor at a time.

A Master Electrician shall not carry out electrical work unless they hold a valid certificate of qualification authorizing the carrying out of the electrical work.

A Master Electrician must understand the requirements applicable to the practice of Master Electrician in the province of Ontario, including the Ontario-specific requirements under the Ontario Electrical Safety Code, relevant legislation and regulations.

Retention of Application Information

A Master Electrician must retain every document provided in the application for the licence or a renewal of the licence until the expiry of the licence or renewal.

Notice of Change to Information

A Master Electrician must notify ESA of any change to the information provided on the application or renewal of licence application form within 5 business days of the change.

The "Notice of Change to Information" form is available via our Licensing Platform
<https://licensing.esasafe.com/>.

Annual Licence Renewal and Fee

Licence Renewal Application and Fee must be received prior to the deadline, in order to avoid late payment fees and/or licence expiration.

Notice of Failure to Meet Licence Requirements

A Master Electrician shall notify ESA immediately of any failure to continue to meet the requirements for the licence during the currency of the licence.
